

19th July 2021

Dear Parents and Carers,

Notification of a positive case of COVID-19

We have been advised that a person in our school has tested positive for coronavirus (COVID-19). If your child has been identified as a close contact to the positive case, you will be contacted directly by NHS Track and Trace.

As per Government guidelines, we will no longer be sending the class / bubble / group home to self-isolate, and your child can continue to attend school as long as they are feeling well and not showing any symptoms of coronavirus.

What do you need to do?

The school remains open and if your child is well, they can continue to attend as normal. We are continuing to monitor and review the situation.

Do be alert for the symptoms of coronavirus and keep your child at home and arrange for a PCR test if they display any of the following symptoms (however mild):

- **A high temperature**
- **A new continuous cough**
- **A loss of, or change in, normal sense of taste or smell.**

See www.nhs.uk/conditions/coronavirus-covid-19/symptoms

If your child develops ANY of the three main symptoms of coronavirus they should get a PCR test as soon as possible. PCR tests can be arranged by following this link: <https://www.gov.uk/get-coronavirus-test>. Please be reassured that for most people, especially children, coronavirus will be a mild illness.

We thank you for your support as we continue to stride towards keeping our school and wider community safe.

Yours sincerely,

Hina Shah
Headteacher
