Dear Parents

We are all aware of the continuing upsetting events in Israel and Palestine and the impact it is having on members of our school community. We would like to extend our deepest sympathies to all those affected by the conflict.

Our school community is a diverse and inclusive one, comprising individuals with various backgrounds, beliefs, and perspectives. We cherish the diversity that exists among our students, their families, and our staff, and we firmly believe in fostering an environment where everyone can feel respected, valued, and safe.

We understand that emotions and opinions run high, and that many members of our community and their families may be personally affected by the events taking place in. However, it is of paramount importance for our school to maintain its commitment to neutrality when it comes to political and international matters.

Our children come from a wide range of backgrounds and have diverse perspectives, and it is our responsibility to ensure that their education is not influenced by political biases.

We encourage open, respectful, and informed discussion in our school community about events happening in our country and the world. By fostering an environment of mutual respect and open communication, we can better prepare our students to navigate complex issues and contribute positively to society.

We want to reiterate our support for all those affected by the conflict and our commitment to providing resources for those who may need support during these challenging times. If any member of our community feels the need to discuss the situation or requires assistance, please do not hesitate to contact us.

In times of crisis, it is important for us to stand together as a school community and demonstrate the values of compassion, tolerance, and unity. We hope that, despite the complexities of the situation, our commitment to maintaining a neutral stance will ultimately help create an inclusive, supportive, and enriching educational experience for all our students.

Thank you for your understanding, and we remain dedicated to your children's well-being and education.
