

Parent and Carer Safety information that must be adhered to

- I will observe if my child displays at least 1 or more of the symptoms of COVID-19: high temperature: this means you feel hot to touch on your chest or back, new and persistent cough: this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours - if your child usually has a cough it may be worse than usual, a loss or change to taste or smell: this means you have noticed you cannot taste or smell anything, or things taste or smell different to normal
- If my child displays any of the symptoms outlined above, I will inform the school immediately by telephone and arrange for my child to be tested as quickly as possible. I will notify the school of the results immediately. Information about how to do this can be found on our school website and in this link:
- If anyone in my household has symptoms of COVID-19, I will inform the school and keep my child at home for 14 days
- If my child shows symptoms of COVID-19 at school, I will collect them from school immediately.
- I will ensure that the school has a minimum of two, up to date emergency contact numbers for my child and will ensure that the emergency contacts understand that they must be able and willing to collect my child from school immediately if I am unable to.
- I will make sure that my child is dropped off and collected at the correct times and from the designated places for their year group.
- When dropping off or collecting my child, I will adhere to the social distancing rules.
- I will leave the school locality immediately after drop off and pick up.
- If I wish to communicate with my child's class teacher or any other member of school staff, I will do so by telephone or email or by making an appointment through the school office.
- I will ensure that my child does not bring any additional items to school other than their coat, mobile phone, packed lunch and reading bag.
- I will also teach my child about social distancing rules especially not touching others.
- I will teach my child to wash their hands thoroughly with soap and warm water for 20 seconds.
- I will teach my child good hygiene practices when coughing or sneezing: into their elbow or tissue (catch it, bin it, kill it).
- I will support the school's procedures in ensuring a safe environment
