## Parents and Carers Acceptable Use Agreement

Earlsmead Primary School regularly reviews and updates all Acceptable Use documents to ensure that they are consistent with the school e-safety and Safeguarding Policies. We attempt to ensure that all students have good access to digital technologies to support their teaching and learning and we expect all our students to agree to be responsible users to help keep everyone safe and to be fair to others. The Student Acceptable Use Agreements are available to view on our school website ([www.earlsmead.haringey.sch.uk/safeguarding](http://www.earlsmead.haringey.sch.uk/safeguarding)) for reference.

**Internet and IT:** As the parent or legal guardian of the pupil(s) named below, I grant permission for the school to give my *daughter / son* access to:

- o the Internet at school
- o the school's chosen email system *Gmail*
- o the school's online managed learning environment *Google Apps for Education*
- o IT facilities and equipment at the school

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school takes every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials.

**Use of digital images, photography and video:** I understand the school has a clear policy on "The use of digital images and video", which is available to view on the school's website, and I support this. I understand that the school will necessarily use photographs of my child or including them in video material to support learning activities. I accept that the school may use photographs / video that includes my child in publicity that reasonably promotes the work of the school, and for no other purpose.

**Social networking and media sites:** I understand that the school has a clear policy on "The use of social networking and media sites", which is available to view on the school's website, and I support this. I will not take and then share online, photographs, videos etc., about other children (or staff) at school events, without permission.

I understand that the school takes any inappropriate behaviour seriously and will respond to observed or reported inappropriate or unsafe behaviour.

**I have read and understood this agreement and will support the school by promoting safe and responsible use of the Internet, online services and digital technology at home. I will inform the school if I have any concerns.**
